

Student's Instruction to set up their Typing Master Online account:

1. Go to Typing master online
<http://online2.typingmaster.com/tmonline/login?id=qdfubema>
2. Click on "I am a new user"

3. Input Username and Password; write it down and don't forget!
Put in a correct email address that this information will be sent to!

Group should be their class; (*example: CIS 1003 102*)

The screenshot shows a web browser window titled "TypingMaster Online - Windows Internet Explorer". The address bar shows "http://online2.typir". The page content is titled "TypingMaster Online" and "New User". Below the title is a section "Login as a New User" with a welcome message: "Welcome to TypingMaster Online! Please fill in your information to the fields below and press Login to log in as a new user." The form contains the following fields and options:

- User ID***: Text input field with a note "4 - 25 characters".
- Password***: Text input field.
- Re-enter***: Text input field with a note "Re-enter your password".
- Remember Login for this computer
- First name***: Text input field.
- Last name**: Text input field.
- Email***: Text input field.
- Group**: Dropdown menu currently showing "Default Group". A red arrow points to this dropdown.

At the bottom of the form, there are two buttons: "Create User" and "Cancel". The status bar at the bottom of the browser shows "Trusted sites | Protected Mode: Off" and "100%".
