The long chord is called the ***shamash*** (servant) which wraps all of the others. The number of *shamash* spirals between the knots is also interesting. Various Traditions signify one of the Names of G-d (YHVH) differently:

Ashkenazi: **7-8-11-13** (LORD is one, from the *Shema*)
Sephardic: **10-5-6-5** (LORD)
Hasidic: **7-8-11-13** (LORD is one, from the *Shema*)
Karaite: various braids, twists, "chains"
